

NEW PRODUCT

BATTERY BOXES

New battery boxes, tailored protection for both the battery and the boat!

These new VETUS battery boxes are specifically designed for the VETUS battery range (up to 115 Ah). Thanks to the correct dimensions and strong mounting straps, your battery will be held securely even in rough waters, thus preventing both the battery and the boat from being damaged.

The lid provides splash protection and is equipped with cable entries. The boxes are made from impact resistant plastic and are impervious to UV, salt, oil, petrol, and acid.

The BATBOX in brief:

- Available in three sizes - BATBOXS, BATBOXM and BATBOXL
- Lid with integrated cable entry
- Resistant to UV, salt, oil, petrol, acid, and impact
- Supplied with mounting straps
